

The story of the bunting.....

Each AGWSD exhibition, our community of crafters are asked to send a small individual creation to the open section. This year we have a festival theme so bunting was chosen for this community event. Invited to take inspiration from the theme 'Festival Flora and Fauna' guild members were asked to create 'bunts'. Each has its own story of inspiration, creation and dedication.

This community activity connecting guild members across the nation shows the wealth and depth of skills across the AGWSD. Please spend time looking at the bunting in its overall beauty, and the individual skills used.

If you have any questions about techniques used please ask our demonstrators.

Thank you to all guild members who contributed to this creation:
